

Special Message from
Governor David Y. Ige
2017 Celebrate the Rainbow
October 21, 2017

Our Aloha State is a shining example of a place where people from all walks of life live, work and play together in harmony. Hawai'i is a melting pot where all are accepted, respected and treated with dignity.

The Hawai'i LGBT Legacy Foundation's mission is to support, empower, educate, unify and facilitate LGBT organizations and individuals in Hawai'i so they can live happy, healthy and productive lives, as an integral part of the larger, diverse and inclusive community that is Hawai'i.

The Honolulu Pride Festival, "Celebrate the Rainbow" is an annual event that aims to spread the Aloha Spirit, pride and awareness throughout Waikiki and the State of Hawai'i. Dozens of businesses, community organizations, families and individuals are sponsoring this annual event, to celebrate diversity and Hawai'i's commitment to civil rights and the dignity accorded to every person in Hawai'i.

Welcome, and warmest aloha to the Honolulu Pride Festival, the Hawai'i LGBT Legacy Foundation and the LGBTQ community!

With warmest regards,

DAVID Y. IGE
Governor, State of Hawai'i
